Technology Center 2600

Dear Sir/Madam:

I, Richard J. Camarillo, declare as follows:

1. I was Tim Forrester's work supervisor between Jan. 12, 2001, and Oct. 9, 2001. Both Tim Forrester and I were contracted employees, contracted to work for the benefit of Kyocera Wireless Corp, the assignee of Pat. Appl. Serial No. 09/975,124, filed Oct. 9, 2001, entitled "GPS Receiver System and Method".

2. I have personal knowledge that Tim Forrester invented the subject matter described and claimed in the above referenced patent application.

3. I declare that, prior to Jan. 12, 2001, I witnessed documents and had personal conversations with Tim Forrester wherein Tim Forrester showed and described conception of the invention of the subject matter of the above-referenced application in the United States, prior to Jan. 12, 2001.

4. To evidence conception of invention of the subject matter of the above-referenced application in the United States, attached hereto as Exhibit A, please find a copy of the design document entitled "GPS Solution using external GPS LNA and no GPS IF Filter" describing the invention. I declare that Tim Forrester sent the design document to me by electronic mail on or about August 30, 2000.

5. I declare that the design document, attached hereto as Exhibit A, evidences conception of the invention of the subject matter of the above-referenced application in the United States prior to January 12, 2001.

6. I declare that the inventor, Tim Forrester, and others known to me, exercised due diligence from prior to Jan. 12, 2001, in reducing the invention to practice in the United States by, at the latest, Oct. 9, 2001, which is the filing date of the present application.

7. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-referenced patent application or any patent issuing thereon.

Dear Sir/Madam:

I, David Huffaker, declare as follows:

1. I am an intellectual property attorney employed by Kyocera Wireless Corp., and I was so employed between March 19, 2001, and Oct. 9, 2001. I am personally familiar with the invention disclosure submission system that was in place at Kyocera Wireless Corp. between March 19, 2001 and Oct. 9, 2001. I am personally familiar with the Patent Committee procedures that were in place at Kyocera Wireless Corp between March 19, 2001, and Oct. 9, 2001. I am personally familiar with the process by which invention disclosures were drafted for patent applications and filed with the United States Patent and Trademark Office (USPTO) between March 19, 2001, and Oct. 9, 2001.

2. I declare that the invention disclosure entitled "Position Location RF Hardware" dated 3/20/2001 was received by the intellectual property department at Kyocera Wireless Corp. on March 20, 2001. The disclosure entitled "Position Location RF Hardware" evidences conception of the invention of the subject matter of Pat. Appl. Ser. No. 09/975,124. Pages 1, 6, 7, 9, 10 and 19 of the disclosure are attached as Exhibit B. Other pages are excluded as including confidential information, none of which is believed to be relevant to the question of patentability.

3. I declare that the disclosure was reviewed in the normal course of the Patent Committee procedures at Kyocera Wireless Corp. The disclosure was approved to be filed for a patent application in the normal course of the Patent Committee procedures. The disclosure was assigned to be drafted as a patent application and filed with the USPTO in the normal course of the process in place at Kyocera Wireless Corp.

4. I declare that diligence was exercised in approving and drafting the present application and filing it with the USPTO at least from March 20, 2001, when the disclosure was received by the intellectual property department at Kyocera Wireless Corp., up until and including Oct. 9, 2001, the filing date of the present application.

5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-referenced patent application or any patent issuing thereon.
